## **VILLA L'HERM - ITINERAIRE**

14 allée de la Palmeraie – through avenue Urbain Bosio – 06300 – NICE

Gate code of allée de la Palmeraie : 4869A

Barrrier code: 37A21

Warning: GPS systems generally lead through avenue de Bournazel to the upper end of the allée which has a dead end: gate needing a key.

To avoid this, give to your GPS a lower number : for instance, 6 allée de la Palmeraie

### **COMING FROM WEST**

Get out of the A8 motorway : 1<sup>st</sup> exit Nr 50 - NICE Promenade (Promenade des Anglais) Follow Promenade des Anglais as far as the harbour (9,8 kms) –

Then follow the route « From Basse Corniche » page 4, from A to B.

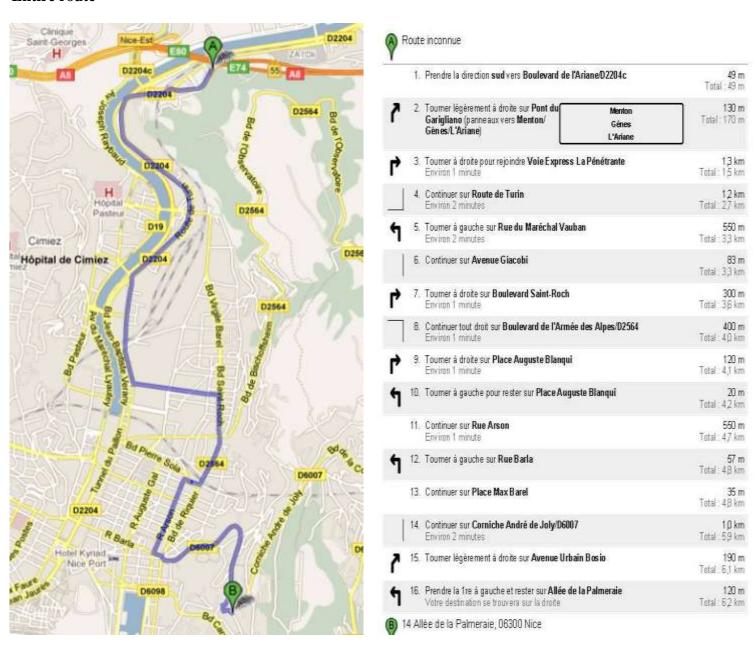

## **COMING FROM EAST (ITALY)**

#### (or coming from west in case of traffic jam)

Get out of the A8 motorway: exit Nr 50 – NICE Centre (L'ARIANE – Be careful: bad district: don't leave your windows open, bolt your doors). Follow the direction « Port »: "route de Turin" along the river Paillon, then left the "rue du Maréchal Vauban" or a parallel street to reach "boulevard Saint-Roch". When "boulevard Saint-Roch" become one-way (after crossing the train bridge), turn right and then left in "rue Arson". At the traffic light (crossing rue Barla), turn left. After a 2<sup>nd</sup> traffic lights, you arrive "place Max Barel" at the bottom of "Moyenne Corniche"

Then follow the route « From Moyenne Corniche » page 5, from B to C.

#### **Entire route**

## COMING FROM EAST (ITALY) - (or coming from west in case of traffic jam) - continued

## First part

# Last part

# FROM « BASSE CORNICHE »

(from the harbour)

(BASSE CORNICHE = Boulevard Carnot)

(way to the low end of "avenue Urbain Bosio")

Take boulevard Carnot above the harbour (Basse Corniche) direction Menton.

After **600 meters**, just after a bend with a orange flashing light, turn left at the traffic lights in "avenue Urbain Bosio" (climbing street).

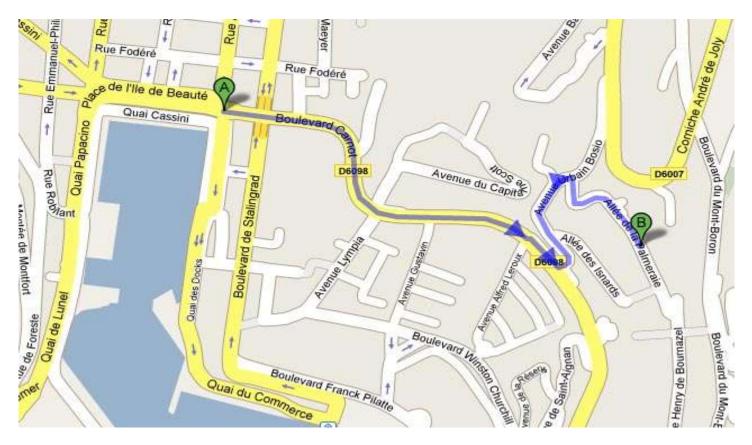

After **300 meters**, turn right in « allée de la Palmeraie » (2<sup>nd</sup> alley in the street). Count **100 meters** : you reach the gate (photo below). Dial the code given at the top of this document.

Another **100 meters**: you arrived (on your right, just behind the barrier)

### FROM « MOYENNE CORNICHE »

(route from the harbour)

(MOYENNE CORNICHE = Corniche André de Joly)

(way to the high end of "avenue Urbain Bosio")

We sometimes prefer this detour to avoid the narrow bends of the lower part of « avenue Urbain Bosio » (2 kms instead of 1km)

<u>From the harbour</u>, quai Cassini, take left « rue Ruska » (on the right hand side of the church), then right "rue Fodéré", then left "boulevard Lech Walesa". You reach "Place Max Barel"

<u>From place Max Barel</u>, (B), take (climbing) Corniche André de Joly (Moyenne Corniche – direction Eze, Monaco, Menton).

**700 meters** later, pass the 1st hairpin bend with traffic lights.

Go on 400 meters.

Turn right in « avenue Urbain Bosio » (far before the second hairpin bend, just after the small « avenue Banco", just after the bus-stop « Urbain Bosio »).

200 meters later, turn left in « allée de la Palmeraie ».

Count **100 meters**: you reach the gate (photo below). Dial the code given at the top of this document.

After another **100 meters**: you arrived (on your right, just behind the barrier)
